*Exclusive, hands-on, one of a kind experiential itinerary option
—perfect experiences for all kinds of groups!*

Create a Wooden Quilt Block \$28 pp all-inclusive experience

Includes crafting class, woodshop tour and shopping time

Fully finished & framed 8" x 8" quilt block, engraved center tile, hanger

Allow 60-90 min depending on size of group

Meet LaVern and Rachel, the Amish-Mennonite dynamic duo that has made Teaberry Wood Products one of our most requested stops. Together with their family they produce beautiful wooden baskets, whimsical vertical puzzles, charcuterie boards and charming home décor. Youngest son Isaiah gets into the act with his hand-turned bowls, pens and fishing lures. This stop appeals to men and women with a something-for-everyone flair!

Groups enjoy one-on-one time with this artisan team as they create a quilt block pieced entirely exotic and local hardwoods.

During this crafting experience your group will be greeted on the

coach and given a brief overview of the project. Half will begin their quilt block while the other half enjoys a woodshop tour and shopping time and then they will switch, assuring ample time to complete all aspects of the experience. Participants leave with a work of art worthy of gifting or kept as a treasured memory of their travels.

Highly collectible, a new pattern will be offered each season—keeping it fresh and new year after year. This meet & make opportunity is endlessly customizable with two frame choices and optional seasonal or decorative laser engraved center tiles.

Considering the *Tour for a Cause* guided fundraising tour? We've got you covered with an awareness ribbon tile coordinated to your cause.
