

THE RV Capital

ELKHART COUNTY INDIANA

Did you know that 80% of the nation's recreational vehicles (RVs) are manufactured in Elkhart County?

You'll find everything RV here in the RV Capital - from service, repairs, parts and accessories to dealers and campgrounds. We're also home to some of the nations largest RV rallies. RV enthusiasts will enjoy touring local RV factories and visiting the RV/MH Heritage Museum. If you're in the market for an RV, more manufacturers are located here than anywhere else in the country. That means the best prices and the largest selection of RVs!
