Amish Country Courtesies ...

You'll find the Amish in Northern Indiana to be friendly and talkative - at farm markets, special events and other places where they mingle with the English (that's us). Please do respect their privacy as they go about day-to-day life, and keep these courtesies in mind:

- Don't ask to photograph or film the Amish. It's against their religious beliefs.
- Respect private property, but take some time to chat with Amish shop owners and artisans who welcome guests.
- Amish businesses are closed on Sundays.
- Keep a sharp eye out for buggies as you crest hills and round corners.
- Most buggy horses are car savvy and hard to spook. Even so, they might be startled into erratic behavior by high-beam headlights and honking horns.
