# Welcome

Dear RV Rally Planner:

Welcome! Did you know ... Elkhart County is home to the world's largest concentration of RV-related manufacturers and service providers in the country? In fact, more than 50 percent of the nation's recreational vehicles are made right here. Elkhart is home to more than a dozen reputable manufacturers and nearly 100 specialty service and parts providers. It's also a dependable source for upgrades, conversions and accessories. All have earned Elkhart's rightful place as the "RV Capital."

The "RV Capital" is right in the center of Northern Indiana's Amish Country, one of the Midwest's most popular cultural attractions. Our scenic rural landscapes are nationally recognized and our centralized location is within a day's drive of half of the nation's population.

Combined, these unique features make Elkhart County an ideal site for your next RV rally, and the Elkhart County Convention and Visitors Bureau (ECCVB) provides all the tools to help you plan it. The ECCVB's custom rally and travel services include:

- Opening and/or closing ceremony planning
- Site selection visits
- Organized group tours and activities
- Travel and destination consultation
- RV Manufacturers tours
- Group discounts for admission to RV/MH Heritage Museum, the largest of its kind in the world

This guide contains information to help you plan your rally. The ECCVB welcomes the opportunity to

Sincerely,

A handwritten signature in black ink that reads "Sonya L. Nash".
